***Reasons for Allowance***

The following is an examiner's statement of reasons for allowance: applicant's amendments and comments are deemed to overcome the prior art of record. While the Belt reference does disclose altering the crest factor by changing the duty cycle, Belt provides a potentiometer for doing so and fails to provide the specific processing unit for controlling the crest factor according to the relationship as now set forth in the claims. None of the other prior art of record describes the particular processing unit that controls the duty cycle by varying the crest factor according to the relationship set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Michael Peffley whose telephone number is (571) 272-4770. The examiner can normally be reached on Mon-Fri from 6am-3pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Linda Dvorak can be reached on (571) 272-4764. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
